

<p align="center">Part D Disaster Private Insurance is <i>not</i> Medicare</p>	<p align="center">REAL Rx Benefit Under Medicare</p>
<div style="border: 1px solid black; background-color: #ffffcc; padding: 10px;"> <p align="center">BigBucks Insurance Co. Part D Prescription Plan Group 6 <u>Jane Q. Public</u> Type B</p> <p align="center">1-98-0642749 </p> </div>	
<p>Finding the best plan is confusing and time-consuming</p>	<p>Easy sign-up – just use your Medicare card</p>
<p>Missed deadlines mean steep lifetime penalties</p>	<p>No penalty</p>
<p>Administrators are <i>prohibited</i> from negotiating for lower drug prices</p>	<p>Medicare negotiates with drug companies for the lowest possible prices</p>
<p>Insurers force you to use certain pharmacies</p>	<p>You choose your pharmacy, just like you choose your doctor or hospital</p>
<p>Insurers decide which drugs you get</p>	<p>Medicare covers all necessary drugs</p>
<p>Unpredictable - insurance company can change coverage at any time; you're locked in</p>	<p>Dependable – you get the drugs you need</p>
<p>Premiums vary by company & plan</p>	<p>Lowest possible negotiated premiums and prices for everyone</p>
<p>"Donut hole" abandons some seniors</p>	<p>Full coverage for all seniors</p>
<p>Steep overhead costs from <i>your</i> pocket mean high profits for drug and insurance companies</p>	<p>Public money for our health, not for profit</p>
