## **FLORIDA CONSUMER ACTION NETWORK MAKES CANDIDATE ENDORSEMENTS FOR 2010 ELECTIONS**

Tampa, FL – Florida Consumer Action Network (FCAN) announced today its endorsements for the 2010 general election.

FCAN is Florida's consumer watchdog organization. For over 26 years, FCAN has been Florida's leading consumer and environmental advocacy organization, with more than 10,000 grassroots members reaching from Key West to Tallahassee.

FCAN endorses exceptional candidates as one method of advancing our priority issues. Our endorsements are made by consensus of our Statewide Board of Directors following regional meetings throughout the state. We do not endorse in every race; instead we look for candidates who have supported the same issues that we advocate, and races where our endorsement could help make the difference.
